

WRAPPER

Wrap cape and play mat in one

Easy to wrap!

1. Lay your child on the Wrapper with his or her head at the height of the logo on the outside.
2. Fold the bottom of the Wrapper up over your child's tummy.
3. Wrap your baby in the Wrapper by first folding over the right side followed by the left side.
4. Next, close the Wrapper by using the Velcro straps.
5. Fashion a hood by tightening the cords. These are to be found in the pockets on the side. The cords should be stowed away in the closable pockets.
6. Ready to go, your baby is now warm and safely wrapped.
